### Getting Student Pedestrians to School Safely

The start of a new school year brings a new set of challenges. In particular, one common danger looming in and around schools is the risk of accidents involving student pedestrians. Although less than 15% of students in the U.S. walk or bike to school, there are still approximately 7.5 million young pedestrians nationwide.

## Back-to-School Issues to Discuss With Your Kids

## Driving Habits

Teen drivers are 4 times more likely to crash. Remind your teen about the dangers of distracted driving, to buckle up and to always obey the speed limit.

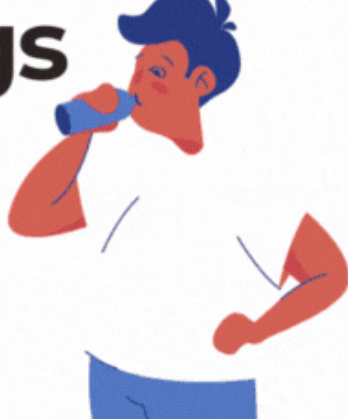

## Cyberbullying

Kids can be incredibly cruel. Discuss what is cyberbullying and make sure your kid knows to come to you if they feel they vistimized.

## Drinking & Drugs

This may feel like a stale topic, but never stop having conversations about underage drinking and the dangers of drug use.

## Dangerous Dares

Kids want to be popular. Have a serious discussion about not being pressured to participate in dangerous activities or pressuring others to do so.

## Sexting

Have an honest discussion about the dangers of sexting, today and for years to come.

**BE AWARE:** Parents can be held civilly liable for their children's actions. A simple conversation could go a long way to protect you and your family.

### From Our Blog:

### Alabama Has 13th Highest Teen Driver Fatality Rate From 2011-2020

When the scorching Alabama sun pushes temperatures to a blistering 100 degrees in the summer, school is out, and teenagers take to the roads with their newfound freedom. However, this summer season also marks the "100 deadliest days" for teen drivers.

“

I would recommend my family, friends and everyone who needs representation to Dean Waite & Associates, this was an awesome experience for me and my family during my time of need, they will fight tooth and nail for you, there was no need for me to constantly call them call them about my case because they called me almost weekly just to check up on me, the staff is awesome. Chase Davis 5 stars, this guy made me feel like my brother was in the courtroom with me. Much love and respect to Dean Waite & Associates.

### Recipe of the Month

### Zucchini Chile-Cheddar Mash

This recipe for mashed zucchini with chiles and cheddar embraces zucchini's tendency to become very soft when cooked.

#### Ingredients:

- 1 tablespoon canola oil
- 1 1/4 pounds of zucchini (2-3 medium) halved lengthwise and sliced
- 1 medium onion, chopped
- 1 4-ounce can of diced green chiles, drained
- 1/4 teaspoon salt
- 1/2 cup grated extra-sharp cheddar cheese

#### Directions:

1. Heat oil in a large nonstick skillet over medium heat. Add zucchini and onion; stir to coat. Cover and cook, stirring occasionally, until very soft and lightly browned, 12 to 15 minutes. Stir in chiles and salt; cook until heated, about 1 minute.
2. Transfer to a medium bowl. Mash with a potato masher until chunky, not completely smooth. Stir in cheese and serve immediately.
