# HOLIDAY SAFETY TIPS

## KNOCK KNOCK, WHO'S THERE?

Stay alert when it comes to individuals you don't recognize in your area. Criminals may disguise themselves as a delivery person or pretend to be collecting donations for a charity.

## THEFTS

As the holiday season approaches, instances of theft tend to rise. Keep your valuables hidden from view, and remember to lock your cars and home, especially when you're alone.

## PLANNING TO TRAVEL?

Planning to be away for the holidays? Ask a neighbor or friend to keep an eye on your home and avoid sharing your travel plans or photos on social media until you're back.

## SOCIAL MEDIA

Exercise caution in your online posts. Don't discuss gift purchases and disable 'location services' to ensure your privacy.

## LIGHTING

Leave a light on or use time switches. It will make it appear as if someone is always home.

## DISCREET DISPOSAL

If you received any high-value gifts, find inventive ways to discard the packaging. Criminals may target your home based on your trash. Ideally, take the boxes to a recycling center for added security.
